"Moose In My House"

Two weeks ago last Monday I was driving home at night
The guy in front was pokey, he wanted to see the sites
I didn't wanna be Gumby so I switched to passing gear
When I pulled up along side him, he offered me a beer

"Hey man, you wanna beer?"

"No thanks, man."

"You sure?"

"No, I'm Bob."

"Ok man, we'll see ya later."

I pulled into my driveway, walked up to my front door
I went inside and noticed there were hoof marks on the
floor

I measured them with utmost care and thought the
tracks were deer

Then suddenly it hit me what was happening in here

There's a Moose in my House

I thought it was a deer

There's a Moose in my House

But now it's really clear

There's a Moose in my House

Got a major problem here

Moose, Moose in my House

What am I gonna tell my Dog?

I checked the mail and found a box from the Sierra
Club

I ran into the bathroom and found moose hair in my tub

My bill from Bell has phone calls to the Yukon and
Montana

My tooth brush smells like moose breath, I'm missing
my pajamas

There's a Moose in my House

I don't know what to do

There's a Moose in my House

I stepped in Moosey poo

There's a Moose in my House

My dog is turning blue

Moose, Moose in my House

I looked in here, I looked in there, I looked in the dirty
clothes hamper

I looked in the backyard and found a troop of Cub
Scout campers

I asked them why that they were here it is my yard you
know

They said they "we are moose hunters, this is the place
to go"

"We're moose hunters!"

"Oh yeah?"

"He's in your house!"

"I know. Ya wanna get outta my yard?"

I know this all sounds stupid, you probably think I'm
dumb

You might think I'm a mental case or maybe just a bum
But someday you just might come home and find a big
surprise

A moose takes up a lot of space and really draws the
flies

There's a Moose in my House

I thought it was deer

There's a Moose in my House

But now it's really clear

There's a Moose in my House

I should have had that beer

There's a Moose in my House

Got a major problem here

There's a Moose in my House

I don't know what to do

There's a Moose in my House

I steeped in Moosy poo

There's a Moose in my House

I hope that there aren't two

There's a Moose in my House

My dog is turning blue
