If ever you are walkin'  
Down the lonely street  
No one to lean on  
No one to help you on

Cars and buildings so high  
Disparity so wide  
The only dreams we can see  
Are the ones on TV screen

If you need  
If you need somebody  
If you need  
If you need somebody

If you grieve, if you need  
I'm your sole salvation

The city is on fire  
Can't you see these streets  
Emptied in ashes, witless  
Made afraid, made ex-patriots  
Made youth of idle science and unbelief

So far from my brother  
So far from my brother  
So far from my brother  
Passin' down the street

If you need  
If you need somebody  
If you need  
If you need somebody

If you grieve, if you need  
I'm your sole salvation

If ever you are walkin'  
Down the street  
No one to lean on  
No one to help you on

Cars and buildings so high  
Disparity so wide  
The only dreams we can see  
Are the ones on TV screen

If you need  
If you need somebody  
If you need  
If you need somebody

If you grieve, if you need  
I'm your sole salvation
