While under a silvery moon
A neon flower born of the desert
Love to touch her body of water
Flicker in the morning light

While she was still in the mood
Shaken up like a deer in the headlights
Crosscut saw, whiskey and moonshine
Baby, don't you spill the wine

Under a silvery moon
You can't find your way back home
Keep her shining on you
Sweet surrender and you're gone
Free at last, you're on your own

While under the silvery moon
Sick and tired of the country and western
Get the Eldorado back on the pavement
Martguerita, where'd you learn to drive?

She said it's all about the rhythm and blues
Pompadours, taxi confessions
The kind of speed that'll get you arrested
Go on use it baby, don't be shy

Under a silvery moon
You can't find your way back home
Keep her shining on you
Sweet surrender and you're gone
Free at last, you're on your own

Surrender and you're gone
Time at last you're on your own
Don't give up now, you're almost home

While under a silvery moon
Boxcar Wiley's guide to the galaxy
Jack Karauac's jumping on ecstasy
Chugging down the central line

Elvis and the hullabaloo

Truck got busted just an hour for midnight
Mississippi mud
The river is too wide

Under a silvery moon
You can't find your way back home
Keep her shining on you
Sweet surrender and you're gone
Free at last, you're on your own

Oh, you're almost gone
Under a silvery moon [Incomprehensible]
Alright, you never gonna make it home
Don't give up now, baby
A silvery moon [Incomprehensible]
