I want to be your Saturday  
Your sunrise in an empty space  
Keep you to your lazy ways  
Dream late

A love affair, an end too soon  
Swept away and left unused  
I need to see if you're amused  
Or alive

Walkin' 'round the tower of love  
Stuck on the ground, I can't climb up  
Seems like every time I look up  
Rain's comin' down, storm clouds above

I want to sleep beside you now  
And leave behind the world without  
Deep inside, there's none to count  
Or untie

I want to be the one you break  
And take you to that higher place  
Just believe and I can make  
You fly

Walkin' 'round the tower of love  
Stuck on the ground, I can't climb up  
Seems like every time I look up  
Rain's comin' down, storm clouds above

What is done can keep you down  
And only love can turn around  
And yesterday won't make a sound  
As you climb

Walkin' 'round the tower of love  
Stuck on the ground, I can't climb up  
Seems like every time I look up  
Rain's comin' down, storm clouds above

Walkin' 'round the tower of love  
Stuck on the ground, I can't climb up

Seems like every time I look up  
Rain's comin' down, storm clouds above
