Let's burn.

The reasons of their death aren't clear,
Sinners in the past.
Deprived of properties by the Church,
Sinners die fast.

Jewish butchery, persecutions,
They called it faith.
Preaching to the mob their threats,
Conversions have begun.

My eyes, I'm blind, I can't see the end,
The killing has begun.

When your neighbour calls to the Holy Office
And accuse you 'cause you're an unfaithful.

Now you can run but you can't hide
Your judgement comes, you'll die in flames.

Now your future lies into an opened grave
And you try to know the meaning of Church.

Reign of fear, reign of Death
Heretics die, you'll burn in hell.

Burn, there is no mercy for your own.
Fear, they teach the fear to the mob.
Flames, the purifying of your soul.
God, why don't you leave your grace on me?

My eyes, I'm blind, I can't see the end,
The killing has begun, it has begun.

When your neighbour calls to the Holy Office
And accuse you 'cause you're an unfaithful.

Now you can run but you can't hide
Your judgement comes, you'll die in flames.

Now your future lies into an opened grave

And you try to know the meaning of Church.

Reign of fear, reign of Death
Heretics die, you'll burn in hell.
