

Deathless "Two Ways"

Visit "[Two Ways](#)" on MotoLyrics.com

Obscurity, evil lands,
Or goodness and peace, around the Earth.
Two ways, that we can choose,
Devil's madness or a heavenly God.

We're tired of this ways,
Let me see my own world,
Why don't you let me ...alone, let me alone.

Humanity's, selling his soul,
To the best...bidder.
Possible lies, about a world,
Heaven or Hell, no one's seen it.

We're tired of this ways,
Let me see my own world,
Why don't you let me ...alone, let me alone.

Only into my grave, I'll know,
What's there beyond Death, no....

Over the Earth, it's spreading, the cult to Dark
believings.
Humanity's sick of Peace, and Love messages.

All of them, promise the best,
For our empty souls, think for yourself.

I only believe what I see, and I only see Death and Hate.
Where's God?, save the world, Don't you see we are
lost?

All is false, it isn't possible,
That you let us die day by day.

Only into my grave, I'll know,
What's there beyond Death, no....

Humanity's, selling his soul,
To the best...bidder.
Possible lies, about a world,
Heaven or Hell, no one's seen it.

We' re tired of this ways,
Let me see my own world,
Why don' t you let me ...alone, let me alone.
