Death's not just, make no difference
Between the guilty ones, and the innocent ones.

There are things that human mind,
Can't overcome, for example: Death.

I remember, a desperate man
Crying for a death, his son's death.

He died, in a silent night,
Looking to the stars, under four wheels.

"Now it's time, Now it's time for revenge"
"Tell me why, why it happened to me?"
"Oh my God, didn't you see it come?"
"Oh yes God, if you don't do anything,
I'll do it instead of you"

Yesterday he was a happy man,
A honest and free man, just like you, just like you.

Today he is a jailed man,
A criminal, a prisoner, he's scum.
I'll wait for her.

I've got the time, to make it true.
I don't wanna know, the time I'm here.
I don't wanna be, out of these walls.
I only want, be waiting for her.

The imprisonment for life, takes out my inner light,
The imprisonment for life, takes out my life.

She'll come one day, day.
She'll close my eyes, eyes.
She'll take my hand, hand.
I'll fall in love, in love with her.

The day has come, I'll leave my life.
My time has come, I can't live alone.
I see her standing and I see myself.
She takes my hand, she takes me to somewhere.

Where no sun shines.
