World's !!!

Twisted human mind, exterminates our life,
Humanity's blind, the earth's gonna die.

The prophecies are warning, but Mankind don't
believe it,
Man kill man and God cries revenge.

Why... can't we change the things we really dislike?
'Cause we're afraid to express ourselves
Why... don't you change the things you really dislike?
Because you think we live in a wonderful world.

World... Of... Shit

We're gonna die, listen!
We're losing the world's heartbeat.
We still fight, listen!
But no one cares about them.

Possessed by madness,
Violent by nature,
A murdering machine.

Why... can't we change the things we really dislike?
'Cause we're afraid to express ourselves
Why... don't we change the things you really dislike?
Because you think we live in a wonderful world.

World... Of... Shit

We're gonna die, listen!
We're losing the world's heartbeat.
The Earth dies, listen!
But no one cares about them.

Fight, we're losing the world's heartbeat.
No, and that's the end of ourselves.

Heartbeat!!!
