I gotta find a way, to find a better day, without you
And thoughts are hard to say, I miss you everyday
Now you're not here with me

I never thought that you would leave me
Ooh, I know the time will make it easy
Baby

And you'll never know how much I'm missing you
And all of the things that I've been going through
Ooh Ooh
And you'll never know how I got through it all
Now baby I'm invincible
Oh Oh

Like sunshine after rain, I'm on my own again
Without you
I've had to let you, I wanted you to know
That I'm still here for you

It doesn't work when we're together

Just good friends will last forever
Baby

And you'll never know how much I'm missing you
And all of the things that I've been going through
Ooh Ooh
And you'll never know how I got through it all
Now baby I'm invincible
Oh Oh

You never told me it would end this way
And I never said it was okay
I never told you to leave today
How could you leave me on my own

And you'll never know how much I'm missing you
And all of the things that I've been going though
Ooh Ooh
And you'll never know how I got through it all
Now baby I'm invincible

Oh Oh
