I can't get out of bed today or get you off my mind
I just can't seem to find a way to leave the love behind
I aint trippin, I'm just missin
You know what I'm saying, you know what I mean

You kept me haingin on a string why you make me cry
I tried to give you everything but you just gave me lies
I aint trippin, I'm just missin
You know what I'm saying, you know what I mean
yeah

Every now and then when I'm all alone
I'll be wishing you would call me on the telephone
Say you want me back but you never do
I feel like such a fool there's nothin I can do
I'm such a fool for you

I can't take it what am I waiting for
My heart still breakin I miss you even more
And I can't fake it the way I could before
I hate you, but I love you
I can't stop thinkin of you
It's true I'm stuck on you

Now loves a broken record that's been skippin in my
head
I keep singin yesterday why we gots to play these
games we play
I aint trippin, I'm just missin

You know what I'm saying, you know what I mean
yeah

Every now and then when I'm all alone
I'll be wishing you would call me on the telephone
Say you want me back but you never do
I feel like such a fool

I can't take it what am I waiting for
My hearts still breakin I miss you even more
And I can't fake it the way I could before
I hate you, but I love you

I can't stop thinkin' of you
It's true I'm stuck on you

Every now and then when I'm all alone
I'll be wishing you would call me on the telephone
Say you want me back but you never do
I feel like such a fool there's nothin I can do
I'm such a fool for you

I can't take it what am I waiting for
My hearts still breakin I miss you even more
And I can't fake it the way I could before
I hate you, but I love you
I can't stop thinkin of you
I hate you, but I love you
I can't stop thinkin of you
I don't know what to do
I'm stuck on you
