Chrissy runs a late show
Debbie does a Volvo
On the Coolite Valley road
Jules has got a strong heart
A sunburn and a go-cart
She used to be a jet pilot
Tracy was a no show
Down in Quantinama
The general called her girlfriend's house
But Nikki had a fast car
With complementary wet bars
They're never going to catch them
No way

Baby, baby let's be friends
Baby, baby let's be friends
Baby, baby let's be friends
Baby, baby let's be friends
Baby, baby let's be
Friends

-

Baby, baby let's be friends
Baby, baby let's be friends
Baby, baby let's be friends
Baby, baby let's be friends
Baby, baby let's be
Friends

Coming over the sun
In a rocket ship
Shining eagle drip
Coming over the sun
From the end of time
Maybe past our prime
Coming over the sun
All the P's and Q's
Who wanna be with you
Coming over the sun
Don't you ever doubt
Let it out
Listen to 'em

Baby, baby let's be friends
