i know today is  
just another day.  
another concession  
another delay

it's just another ordeal!  
do you know how i feel?  
lalalalalalala... (7x La's)

maybe tomorrow  
i'll be on my own  
calling your name  
with a plastic cup

it's just that your so demanding!  
i never know where i'm standing!  
lalalalalalala... (7x La's)  
my lunatic friends have tied me down (4x)  
i just wanna tell you people  
that everything's my fault  
i just wanna kick the door down  
and start my twenty-four seven day assault  
but

my lunatic friends have tied me down (2x)

it's just that you're so demanding!  
i never know where i'm standing!  
lalalalalalala... (7x La's)

my lunatic friends have tied me down (4x)
