I had some problems  
And no-one could seem to solve them  
But you found the answer  
You told me to take this chance  
And learn the ways of love, my baby  
And all that it has to offer  
In time you will see that love won't let you down

You say that you loved me  
Said hurt only came to pass me  
It sounded so convincing  
That I gave it half a chance  
And learned the ways of love, my baby  
There is so much love inside me  
And all that I have I give all my all to you

All, all my love baby

And all this love is waiting for you, my baby, my darling  
And all this love is waiting for you

Oh, I, had some problems  
And no-one could seem to solve them  
But you, you, you, found the answer  
So I gave it half a chance  
And learned the ways of love, my baby  
And all that it has to offer  
And all that I have I give my all to you

All my love, baby

All this love is waiting for you, my baby, my sugar  
And all this love (all my love) is waiting for you  
Ooooh

All this love is waiting for you, ooh  
And all this love is waiting for you, my baby  
And baby all, baby all, my sugar, my baby  
And all this love is waiting for you

Oh I love how you make me feel this way

My love is getting stronger every day, my baby

And after all I went and put myself through  
I found that all I really needed was you, my darling

As the sun has its place up in the sky  
I love you so dearly

And all I say there's no need to wonder why  
I need you, please hear me

Say you really love me baby, say you really love me  
darling  
Cause I really love you baby, oh I really love you darling  
Say you really love me baby, say you really love me  
darling  
Cause I really love you baby, oh I really love you darling  
Say you really love me baby, say you really love me  
darling  
Ah Cause I really love you baby, sho nuff lovin you  
darling  
Say you love me  
Oh I love you  
And baby all my love is waiting for you  
My baby  
Ow!

All my love is waiting for you
