My favorite coat  
Hangs in the hallway  
Waiting like a good friend  
To keep me warm

I love my coat  
It's sturdy, and versatile  
Solving all my problems  
Nirvana in the rain

And it's raining  
And raining  
Been raining for weeks now  
Crying a torrent  
And the rain is washing us clean  
Is washing us clean  
Me and my coat

In my coat I am a superhero  
Traveling through space and time  
Impervious to pain

While it's raining  
And raining...  
Been raining for weeks now  
Crying a torrent  
And the rain is washing us clean,  
Is washing us clean

Me and my coat  
We are a symphony  
Blanketing the world outside  
An oasis in the storm  
An oasis in the storm

Well it's raining  
And raining  
Been raining for weeks now  
Crying a torrent  
And the rain is washing us clean  
Is washing us clean

And the rain is washing us clean  
Is washing us clean

Me and my coat
