My favorite coat
Hangs in the hallway
Waiting like a good friend
To keep me warm

I love my coat
It's sturdy, and versatile
Solving all my problems
Nirvana in the rain

And it's raining
And raining
Been raining for weeks now
Crying a torrent
And the rain is washing us clean
Is washing us clean
Me and my coat

In my coat I am a superhero
Traveling through space and time
Impervious to pain

While it's raining
And raining...
Been raining for weeks now
Crying a torrent
And the rain is washing us clean,
Is washing us clean

Me and my coat
We are a symphony
Blanketing the world outside
An oasis in the storm
An oasis in the storm

Well it's raining
And raining
Been raining for weeks now
Crying a torrent
And the rain is washing us clean
Is washing us clean
And the rain is washing us clean

Is washing us clean

Me and my coat
