Looking for some candy
Take a walk to the candystore
You've got the first one free
Playing games with your destiny

Candyman messiah
Selling drugs to a little girl
Candyman messiah
It's such a wonderful world

Looking for some action
Take a walk through the weaponstore
Use them for protection
Or maybe to settle the score

Shotgun provider
Selling guns to a little boy
Shotgun provider
You sold a beautiful toy

Candyman messiah
Selling drugs to a little girl
Candyman messiah
It's such a wonderful world
