Visit "[Holy Caravan](#)" on MotoLyrics.com

Living in a world of terror, drama
Living in a world of lies and hate
Justice have no time
We search for a sign
Living in a world of false illusions
Global manipulation in a world on fire

In the name of the father
We trust in the gun
In the name of the father
See diablo in his eyes

Living in a world where collision rules
Living in a dream with no colours
We are all alive until we die
We search for the sign
Living in a world of false illusions
Global manipulation in a world on fire

In the name of the father
We trust in the gun
In the name of the father
See diablo in his eyes

War hate war hate war

In the name of the father
We trust in the gun
In the name of the father
See diablo in my eyes
See diablo in my eyes
