Sitting here in my cage
I'm a prisoner
No one of us is a slave
Were only digging our own graves
Twenty century gladiator game
No protection we are human shields
I'm gonna stay here in my cage

I'm the King, King of the cage
I'm still sitting here in my grave
I'm the King, King of the cage
I'm still a prisoner

To be a human and an animal insane
To be a part of this sick game
I'm gonna brake your bones in pain
Only one can win this ultimate game
I'm gonna stay here in my cage

I'm the King, King of the cage
I'm still sitting here in my grave
I'm the King, King of the cage
I'm still a prisoner
