Some people say that I'm strange  
A kind of different  
But I'm not the kind of man they think I am  
I hear voices voices that you don't here  
I need medicine to keep my head clear

Come out, come out  
I hear voices calling my name  
Come out, come out  
I hear voices calling my name

Sometime I think they are gone  
But suddenly I here them call  
That fucking commanding song  
That I'm he only one  
I hear voices that you don't hear  
I need a hammer my head is not a tool

Come out, come out  
I hear voices calling my name  
Come out, come out  
I hear voices calling my name
