Red sister raise your hands  
White sister - doing the same  
Red mother burn in flames  
White mother - doing the same

Don't call the spirits in your name:  
Don't let the spirits free if you don't believe

Red brother circle your head  
White brother - doing the same  
Red father recycle your pain  
White father - doing the same

Don't call the spirits in your name:  
Don't let the spirits free if you don't believe  
Don't call the spirits in your name:  
Don't let the spirits free if you don't believe
