I am A, I am O - I am Alfa and Omega to  
I'm the beginning, here it starts  
I'm the end, here it stops  
I created this world  
From heaven I've been sent

The hand that rocks the cradle  
The hand that feeds you

I am Black I am White I am David and Goliath  
I am paradise, I am hell I am life and I'm death  
I created this world from heaven I've been sent

The hand that rocks the cradle  
The hand that feeds you

I am war and I am peace, I am hate and I am love  
I am sex and tabou I am the man inside you  
I created this world...
