Kill! Kill! Kill! Kill!
You live in the end times,
you will suffer for your crimes,
demonic entities will burn your shrines.
Angels of fire are coming down,
In a killing rage and spellbound,
coming for another killing round.

We are armed for war!
We are drenched in gore!
We're gonna shoot you to shreds!
We are armed for apocalypse!
Apocalypse! Apocalypse! Apocalypse!

We bring the fucking pain,
we are out for blood,
we will see your guts.
Beast horde comes to your nation.
Beast horde shatters your creations.
Only in death there will be salvation.

We are armed for war!
We are drenched in gore!
We're gonna shoot you to shreds!
We are armed for apocalypse!
Apocalypse! Apocalypse! Motherfucking Apocalypse!

You live in the end times,
you will suffer for your crimes,
demonic entities will burn your shrines.
Angels of fire are coming down,
In a killing rage and spellbound,
coming for another killing round.

Kill! Kill! kill!
Kill! Kill! kill!

We bring the fucking pain,
we are out for blood,
we will see your guts.
Beast horde comes to your nation.

Beast horde shatters your creations.
Only in death there will be salvation.

Kill! Kill! kill!
Kill! Kill! kill!
Kill! Kill! kill!
Kill! Kill! kill!
Kill! Kill! kill!
Kill! Kill! kill!
Kill! Motherfucking kill!
