The blood god will rise  
Mainstream we despise  
Full of wrath and anger  
We kill you fucking wankers

Eternal monster - Eater of Gore  
Here to kill - Blood what we spill

Kill kill kill motherfuckers  
We are the blood god's bloodsuckers  
We are the masters of death  
The fire of the dragons breath

Murderer - Killer  
Carnifex, breaks you neck

Motherfucking bloodshed  
On the torture rack  
Impaled through the guts  
Anal-raped and fucked

No guts, no glory

Killing frenzy, wrath and fury

We are the brotherhood  
Death is our good  
Savage and merciless  
Debauchery Metalheads

Murderer - Killer  
Carnifex, breaks your neck

Blood god is rising  
Death will prevail  
Blood god is rising  
We come to kill  
Blood god is rising  
Just feel the thrill  
Blood god is rising  
Fire at will
