Time to organize myself,
I take my equipment from the shelf!
Hammer and axe,
some nails to create a torture rack!
You fucked my worthless bitch!
Time to eat shit!
Time for a payback!
Motherfucker I will break your neck!

Bloodslaughter onslaught!
Bloodslaughter onslaught!
Bloodslaughter onslaught!
Bloodslaughter onslaught!

With my iron shot boots
I break your knee cap!
You lie before me
in your own crap.
Whimpering, begging for mercy,
none to give, I want butchery!
Hammering your bones to dust,
Using the axe, cutting fingers, elbow busts!

Bloodslaughter onslaught!
Bloodslaughter onslaught!
Bloodslaughter onslaught!
Bloodslaughter onslaught!

Nailing you to your own desk
with nails through arms and legs.
Breaking your spine and neck,
ripping the skin from your back
You are paralyzed
and I will burn your eyes!
Blinded, ripping the tongue out,
ears off, teeth broken!

Bloodslaughter onslaught!
Bloodslaughter onslaught!
Bloodslaughter onslaught!
Bloodslaughter onslaught!

The job is done,
one of the two is gone!
Time to get back to the bitch
and feed her some shit!
Take her from behind with a spiked club
and rape the bitch doggy style in the cuts!
Take her from behind with a spiked club
and rape the bitch doggy style in the cuts!
