["Ah, Debauchery is so boring
Sounds like AC/DC
So boring
Sounds like Six Feet Under
What is this? AC/DC tribute?
Sounds like AC/DC
Sounds like Six Feet Under

I'm a very important music critic, a professional cocksucker, and I just can't feel what this guy's doin'
"]

Feel this, you fucking shit cunt!

This goes out to all the fuckers who hate me
To all the fuckers who hate Debauchery
Fuck you!!!!

I will stitch your anus together
So you will drown in your own shit.

You can't control me anymore
I'm ready for the world war
I'm here to fucking kill
You have lost, you allways will

[Chorus:]
I'm the king of killing (4x)

With the screwdriver
Right into your anus
With the axe going for the penis
I rape your bitch your mother too
Don't take me for a fucking fool

[Chorus]

I'm an evil soldier of the devil
I'm a slave to darkness forever

I'm the butcher prince of the Blood God
If you don't like me just FUCK OFF!!!!

[Chorus]

I'm the king of killing (3x)
I'm the king of killing time

The beginning in [] and the last line are not in the official lyrics, I wrote them down from what I could hear by listening.
