Time to rape - To kill for blood
Feed on you - Rip you apart
Cut you motherfucker - Out of the womb
And then break your fucking - Cranium
Exterminate - Scorch and burn - Hellspawn hordes
Vaporized - Warpchrist - Warriors
Raping - Killing - Ripping - Corpse devouring
With axes and swords

Hellspawn

Bloody handed savagery
Crazy fucked up butchery
I feel a hot rush
Of fucking bloodlust
Searching for nourishment
I follow your human scent
I see your screaming features
Of your prayer mumbling sob-sisters

Hellspawn

Bestial face
With a demonic gaze
It's a real gorefest
The end of all weakness
The world shall be bathed in blood
Time for decay and rot
From the warp's depth's
We bring brutal death

Hellspawn

Spawn - Killing scum
Spawn - For you I come
Spawn - Guttural barks
Spawn - Bloodlust
Spawn - Hell's fire
Spawn - Demon's spire
Spawn - Funeral bell
Spawn - God of hell
