I'm still living,  
I'm unforgiving,  
I'm still alive  
in an age of strife!  
I've got an iron will  
I am born to kill  
Cheated by my own wife  
That is motherfucking life

I am invincible!  
I am undestructable!  
I am unbreakable!  
I'm the unbroken!

I hate society  
and society hates me!  
I don't give a shit,  
fuck that, they make me sick!  
Apostles of moral,  
want it from small boys oral!  
Politicians talk shit all day,  
kill 'em all, that's what I say!

I am invincible!  
I am undestructable!  
I am unbreakable!  
I'm the unbroken!

Yeah motherfucker, that's fucking life, motherfucker!  
We live to kill and we live for murder.  
We are are cheated by our own wives,  
but we still carry on and work harder!  
Bitch, we rip their flesh from their bones,  
we are killers of women and children!  
We show no mercy!

And we will never back down, bitch!  
I don't give a fuck about their opinion.  
Death Metal is my religion!
