Warmachines at war!
Warmachines at war!
Warmachines at war! Motherfucker!
Warmachines at war! Bitch!

A thousand tons of steel,
driven by iron wheels.
They will make you kneel!
Bristling with cannons,
rending with talons.
Killing the morons!
Death Metal murder!
Killing machine of war and pain!

We are warmachines at war!
We are warmachines at war!
We are warmachines at war!
We are warmachines at war!

Titans of war,
blessed by the whore,
we yell and roar.
Opponents in battle,
slaughtered like cattle,
with weapons of metal!
Death metal murder,
killing machine of war and pain.

We are warmachines at war!
We are warmachines at war!
We are warmachines at war!
We are warmachines at war!

WAR!

At war!
At war!
At war!
At war!

Warmachines at war!

Warmachines at war!
Warmachines at war!
Warmachines at war!

Warmachines at war!
Warmachines at war!
Warmachines at war!
At war!
