He had the change done at the shop -- earlobes for  
cocks  
April Fools  
He had his balls thrown over the top, like a mop of hair  
April Fools  
He had his buttocks transferred to his cheeks on his  
face  
April, April doom  
Because then where would the poop come out of?  
His mouth  
Well, he decided he wanted a vagina down south  
April Fools  
Where his belly button once stood, now stood a cock  
With a mouth at the end that ate the food  
Oh, well, what a peculiar guest he was at summer  
swimming parties  
What with the nipples protruding from his eyelids  
And, of course, beneath his chin the penis  
And on his knees the sacks, he had two put there  
April Fools  
And Jester Wally Jew-Boy  
Navel-eyed Jack, Wiglet Bill  
You've had your fill of transplants, please  
You wish you could change back at will, but...  
Tits coming off the back side -- 69 to be exact  
I thought it was pretty many, but you be the judge  
April Dick  
Well, he became a woman, then a man  
Then a dog, then a sheep  
Then a man, then a god  
He had all put on his body --
