Yeah!
Everything is straight.
Everything is great!
Everything is everything and still you make me wait.
What's it gonna take?
I'm gonna pull your chain.
What's up?
What's up?
We can meet up then we'll get it...
yeah, we'll get it...
straight.
Uh huh.
Uh huh.

Hey big boy.
Yeah!
Hey bike boy.
Yeah!
Riding fast.
Riding clean.
Cut it close through the main stream.
Bike boy.
Yeah!
Hey big boy.
Yeah!
Moving fast looking lean.
You say action.
Be extreme.

Hey big boy, you don't think I understand.
I see you riding, riding with no hands.

Hey, everything is great.
Everything is straight!
Everything is everything and still you make me wait.
Hey, what's it gonna take?
I wanna pull your chain!
What's up?
What's up?
We can meet up then we'll get it...

yeah, we'll get it...

Uh huh.
Yeah yeah yeah ooh!

Hey big boy.
Yeah!
Hey bike boy.
Yeah!
Riding fast.
Riding clean.
Cut it close through the main stream.
Bike boy.
Yeah!
Hey big boy.
Yeah!
Moving fast looking lean.
You say action.
Be extreme.

Hey bike boy.
Yeah!
Hey big boy.
Yeah!
Get the message.
Get it quick.
I say reaction.
Tattoo stick.
Hey jet boy.
Yeah!
Hey big boy.
Yeah!
Bending metal.
Burning rubber.
I say action with no other.
Bike boy.
Hey bike boy!
Hey big boy.
