Neste barco nave gando luz, som e color azul desta
saudade e omar e tao calmo,
solidao.

Aea, la la la, aea, la la la, aea, la la la, aea, eae, e tao
calmo. Aea, la la la,
aea, la la la, aea, la la la, aea, eae, e tao calmo,
solidao.

On this boat navigating sunlight, sound and heat and
the blue of this longing that
the sea is so calm, solitude.

Ah, Calmarie. Ah, Calmarie, standing ever so still,
looking pretty for me. Deep,
deep aquamarine. Ah, Calmarie. Ah, Calmarie.

Aea, la la la, aea, la la la, aea, la la la, aea, eae, e tao
calmo. Neste barco nave
gando luz, som e color azul desta saudade e omar e
tao calmo, omar e tao calmo, omar
e tao calmo, solidao.
