Debbie Harry ft. Miss Guy
Charm Alarm

Debbie: I know where you been but where're you
coming from?

I got eyes in the back of my head

Miss Guy: I'm drinking my drink of glamour and
damage, seduction and
piss elegance

Deb: Oh, you're a danity jewel hooked on a chain a
souvenir of some other time

MG: What we don't rememebr just didn't happen

There's a feeling at the base of my spine

Deb: The room is getting crowded and its getting
worse

If you get much closer well, you could get hurt

You're getting closer and I'm getting warm

Setting of my charm alarm

Who set ringing my charm alarm

Both: Charm Alarm, my charm alarm, my charm alarm
(2x)

Deb: Don't be looking at Medusa's head

She'll stone your bones and leave you dead

A little bit of blind man's bluff will pop up like a powder
puff

MG: We're two cool numbers in the heat of the night

I've got it wrong

Do you got it right?

I'm breaking the glass

Got you in mind

Lets do it again

Both: Stop rewind

Deb: You're setting off my charm alarm

You're getting closer and I'm getting warm

Setting off my charm alarm

Who set ringing my charm alarm?

Both: Charm Alarm, my charm alarm, my charm alarm,
(2x)

MG: I know where you been but where're you coming
from?

I got eyes in the back of my head

Deb: I'm drinking my drink of glamour and
damage, seduction and
piss elegance

MG: Oh, you're a dainty jewel hooked on a chain a
souvenir of some other time

Deb: What we don't rememebr just didn't happen
There's a feeling at the base of my spine
The room is getting crowded and it's get worse
If you get much closer well, you could get hurt
You're setting off my clarm alarm
Who set my charm alarm...
