Throw down your sweet sixteen
Lil? Kim can do it She could phone it in
She wants love and affection not the house of
correction
She stands where she stands It's all in her hands
She had a diggy at Biggy Whatcha want for a giggy
She got it under her wiggy
Then there was a voice from the other side
A sound so sweet like a Turkish delight
Place where the sugar now resides
What say hey Kim are you throwin' in?
We all dyin' to hear your dirty rap again

Dirty (she's such a flirty Socrateaser)
Dirty (she's gonna bring you to your knees)
Dirty (a little dialogue'll do it)
Dirty (dirty and deep)

Wait for it
Take off your glasses down to your skin
Climb up 'em asses Let the party begin
Grease your zipper Swat your fly,
a whole in one, a big bull's eye
From the WiFi of Delphi
She hangin' on the inside

Dirty (lick her like you love her)
Dirty (all over Queen B)
Dirty (eliminate the question)
Dirty (dirty and deep)
Dirty and deep
Dirty and deep

Don't touch me
(You're too hot)
You're too hot
(You're too hot)
Don't touch me
(You're too hot)
You're too hot
(You're too hot)
Don't touch me

You're too hot
Don't touch me
You're too hot
Don't touch me
You're too hot
Don't touch me
You're too hot

Dirty (she's such a flirty Socrateaser)
Dirty (she's gonna bring you to your knees)
Dirty (a little dialogue'll do it)
Dirty (dirty and deep)

Dirty (lick her like you love her)
Dirty (all over Queen B)
Dirty (eliminate the question)
Dirty (dirty and deep)
Dirty and deep
Dirty and deep
