Love's touch comes to mean so much -
Embrasser c'est francais
embrasser c'est francais

Love's way s'abandonner -
Embrasser c'est francais
embrasser c'est francais

Slip into the velvet glove
parted lips so filled with love -
Embrasser c'est francais
embrasser c'est francais

Lips upon forbidden places
lingering in long embraces -
Embrasser c'est francais.

French kissin' in the USA
French kissin' in the USA!
French kissin' in the USA
French kissin' in the USA!
Lips are in motion - ocean to ocean -
Paris is calling - falling we're falling -

Lips close then blossom like a rose -
Embrasser c'est francais

embrasser c'est francais

Lips wide holding you inside -
Embrasser c'est francais
embrasser c'est francais

Kisses hard
kisses deep
a kiss to wake us from our sleep -
Embrasser c'est francais
embrasser c'est francais

Take your lover by the hand
speak in tongues and understand -
Embrasser c'est francais

embrasser c'est francais

French kissin' in the USA
French kissin' in the USA! . . .

French kissin' in the USA
French kissin' in the USA! (4x)
