Love's touch comes to mean so much
(Embrasser c'est Francais, Embrasser c'est Francais)
Love's way, S'abandonner
(Embrasser c'est Francais, Embrasser c'est Francais)
Slip inot the velvet glove
Parted lips so filled with love
(Embrasser c'est Francais, Embrasser c'est Francais)
French kissin' in the USA
French kissin' in the USA
Hey French kissin'
French kissin' in the USA
French kissin' in the USA
Lips are in motion
(Ocean to ocean) Woah
Paris is calling
(Falling, we're falling, Oooh Oh Oh)
Lips close then blossom like a rose
(Embrasser c'est Francais, Embrasser c'est Francais)
Lips wide holding you inside
(Embrasser c'est Francais, Embrasser c'est Francais)
Kisses hard kisses deep, a kiss to wake us from our
sleep

(Embrasser c'est Francais, Embrasser c'est Francais)
Take you lover by the hand, speak in tongues and
understand
French kissin' in the USA
French kissin' in the USA
Hey French kissin'
French kissin' in the USA
French kissin' in the USA
Lips are in motion
(Ocean to ocean) Woah
Paris is calling
(Falling, we're falling, Oooh Oh Oh)
French kissin' in the USA
French kissin' in the USA
Hey French kissin'
French kissin' in the USA
French kissin' in the USA
