He is so.  
Oh oh oh.  
How do I know he is so?  
So fortunately for me he is so.  
Fortunately for me he is so.  
When he's with me sets me free.  
That's how I know he is so.

So far so good.  
He is so too much.  
As good as it's gets  
and the getting's good.  
So easy to please.  
He's no so and so.  
So far as it goes.  
That's how far I'm going.

He is so.  
So what? So what? So what?  
Oh oh oh.  
How do I know he is so?  
So what? So what? So what?  
So fortunately for me he is so.  
So what? So what? So what?  
Fortunately for me he is so.  
So what? So what?  
When he's with me I am free.  
That's how I know he is so.

Like children at play.

You know what I mean.  
It's all in a day.  
Nights are getting better.  
So what can I say  
that's never been said before?  
It's all in a day.  
Each day I love him more.

When he's with me I am free.  
That's how I know he is so.

He is so.  
So what? So what? So what?  
Oh oh oh.  
How do I know he is so?  
So what? So what? So what?  
So fortunately for me he is so.  
So what? So what? So what?  
Fortunately for me he is so.  
When he's with me sets me free.  
That's how I know he is so.

Oh oh oh.  
Oh oh oh.  
How do I know he is so?  
So fortunately for me he is so.
