I'll never fall in love again.
I'll never fall in love again.

I fell in love before and he walked though the door.
I'll never fall in love.
I'll never fall in love again.
I'll never fall in love, oh no.

I'll never give my heart to you.
I'll never give my heart to you.

I gave you my heart and you tore it all apart.
I'll never fall in love.
I'll never fall in love again.
I'll never fall in love.
I'll never fall in love.
Oh no no no no ah.

I fell in love before then he walked through the door.

I'll never fall in love.
I'll never fall in love again.
I'll never fall in love.
I'll never never fall in love again.

I'll never give my heart to you.
I'll never give my heart to you, no no no.

I gave you my heart and you tore it all apart.
I'll never fall in love.
I'll never fall in love again.
I'll never fall in love.
I'll never fall in love with you again.
With you again.
With you again.
With you again.
