"Love With A Vengeance"

Don't wanna make it easy  
Can't help but make you hard  
The way I see you bounce around makes me doubtful,  
makes my green eyes brown  
I know you like sportin'  
The changes in you often does  
You'll get your up and coming  
And your perspective  
As it was

If life seems like reversal you may be right 'cause I'll  
love  
you with a vengeance not for spite  
If that seems like forgiven you could be right 'cause I'll  
love  
you with a vengeance not for spite

So if we lived in darkness  
(na, na, na, na, na)  
before electricity  
(na, na, na, na, na)  
You'd be lit up with a spotlight  
(na, na, na, na)  
And you'd stand out  
There's no one else I'd see

If that seems wishful thinking you're probably right  
'cause I'll  
love you with a vengeance not for spite  
If that seems wishful thinking you're probably right  
'cause I'll  
love you with a vengeance not for spite

Well I try to  
Well I try to  
Get ya back, get ya back, get ya back  
Get ya back, get ya back, get ya back  
I'll attack you  
(I'll attack you)  
Instinctively, I will follow

(Well I try, Well I try, get you back)  
but handsome is as handsome does  
(Get you back, and I try to, and I try to, get you back)  
You're famous for your trick or treatin'  
(Get you back, get back at you, get, get you back get  
back at you,)  
Well, I'm waitin'  
(Get you back, get you back, get back at you)  
for my sugar buzz  
(Get you back, get you back, get back at you)

Could it be a force of habit  
(na, na, na, na, na)  
Your behavior often does  
(na, na, na, na, na)  
Love traction, love selection  
(na, na, na, na, na)  
I'm on a tag team and didn't know I was

If that seems like a mission you may be right 'cause I'll  
love you  
with a vengeance not for spite  
If that seems kind of crazy I guess you're right 'cause  
I'll love  
you with a vengeance not for spite  
If life seems like reversal you may be right 'cause I'll  
love you  
with a vengeance not for spite  
(Not just for spite)  
If that seems like forgiven you could be right 'cause I'll  
love  
you with a vengeance  
(Get you back, get you back, get back at you)  
Not for spite  
(Get you back, get you back, get back at you)  
If this seems like a mission you may be right 'cause I'll  
love you  
with a vengeance  
(Or should I try to)  
Not for spite  
(Should I try to)  
If that seems kind of crazy  
(Get you back, get you back)  
I guess you're right  
(Get you back, get you back)  
'cause I'll love you with a vengeance  
(Get back at you, get you back)  
Not for spite  
(Get you back, get you back, get you back, get back at  
you)  
Should I try to

Should I try to  
Will I try to  
Build you up or attack you  
Should I  
Should I  
Should I try to
