The order came directly from the CIA
To start the following investigation
Find out what's the hidden power
Lying in the grooves
That drives 'em crazy
All across the nation

They found the jam is moving
Go ahead now
Go ahead now

It makes the people keep grooving
Go ahead now
Go ahead now

The agent who was sanctioned to investigate
When he came home he found
To his amazement
He saw his own children
Live on Colt 45
And they were rock hip-hopping
In the basement

They found the jam was moving
Go ahead now
Go ahead now

That makes the people keep grooving
Go ahead now
Go ahead now

They found the jam was moving
Go ahead now
Go ahead now

It makes the people keep grooving
Go ahead now
Go ahead now

When the order came from the CIA
You better look out and find out
What's the hidden power lying

In the grooves they're going
Crazy, crazy, crazy, crazy
All across the nation

Agent said
Found the jam was moving
Go ahead now
Go ahead now

It makes the people keep grooving
Go ahead now
Go ahead now

Go ahead now
The jam was moving
Go ahead now
Go ahead now

The people keep grooving
Go ahead now
Go ahead now

Go ahead now
Go ahead now
