Uno, dos, uno dos tres quatro
Hey, now honey, I'm about to begin
Hear the intention near me again
Been to impatient and I'm ready to spill
So tired of waiting for my turn to thrill

Trying to fly, trying to get a break
A space to move and a movement to make
Triangle toes, two loves continue
Why in the world? I'm a circular girl

Ooh, baby I feel the spin
Turning me round and round
Taking me out of town
Ooh, I feel the spin
Messing me round and round
Making my madness drown

Hey, now honey, my rotations set in
To a driving dimension, do it again
Hey, I'm standing on top of the world
Grinning and spinning, free as a bird

I'm dizzy from pressure, I hold out for pleasure
A space to move and some music to make
I'm spellbound from watching your radio hula
Hips over me, oh, I'm a circular girl

Ooh, baby I feel the spin
Turning me round and round
Taking me out of town
Ooh, I feel the spin
Messing me round and round
Making my madness drown

Ooh, I feel the spin
Taking me round and round
Throwing me out of bounds
Ooh, I feel the spin
Throwing me around

I'm dizzy from pressure, I hold out for pleasure

A space to move and some music to make
I'm spellbound from watching your radio hula
Hips over me, oh, I'm a circular girl

Ooh, baby I feel the spin
Turning me round and round
Taking me out of town
Ooh, I feel the spin
Messing me round and round
Making my madness drown

Ooh, I feel the spin
Taking me round and round
Throwing me out of bounds
Ooh, baby I feel the spin
Throwing me around
Driving me out of town
