"A Very Special Love"

Any time at all you're near me,
'Cause you're near, you cheer me.
That's a very special reason for a very special love.

We don't need to speak a word, dear.
Still each word is heard, dear.
That's a very special reason for a very special love.

A heart is just a heart, nothing more, nothing less.
Just a heart, until the day that love comes to stay
forever.
And our love will last a lifetime,
As a man-and-wife time.
That's a very special reason for a very special love.

Yes, our love will last a lifetime,
As a man-and-wife time.
That's a very special reason for a very special love.

Happy girl and lucky boy, in a wondrous world of joy, in
a very special love.
