Hey Fellas! Gather round!  
(Fellas) WHAT'S HAPPENING!  
Pick up on the jive they're puttin' down

(Sax)2nd verse-OOOOOH Let 'em roll like a big wheel in  
a Georgia cotton field... let'em roll

Everybody's jumpin' tonight. Cause tonight is jumpin'  
jubilee time.  
Hear the moan of the saxophone, wailing on the  
trumpet and fine trombone.  
Everybody's jumpin' tonight. Cause tonight is jumpin'  
jubilee time.

(Guitar)

Everybody's jumpin' tonight. Cause tonight is jumpin'  
jubilee time.  
All the cats are gonna stop on by. Don't be late and  
don't be shy.  
Clap your hands. Stomp your feet. Join in the jubilee.

(Piano)

They'll serve you red beans and kidney stew.  
Barbeque is on the menu  
Drink all day and drink all night. Everything is gonna be  
alright  
Everybody's jumpin' tonight. Cause tonight is jumpin'  
jubilee time.

(Horns)

Everybody's ballin' tonight. Cause tonight is jumpin'  
jubilee time.  
Hear the moan of the saxophone, broken down trumpet  
and old trombone.  
Everybody's jumpin' tonight. Cause tonight is jumpin'  
jubilee time
