(BB King speaking:)

How about it? How about it? It takes a lot of people to
make it possible,

So give 'em a big hand. Everybody is working to try to
make it nicer.

Anyway! As I leave you... a little bit of Sweet Sixteen for
the guys -

Just a taste - give me C for Sweet Sixteen...

When I first met you baby, baby you were just sweet
sixteen

First met you baby, baby you was just sweet sixteen

Just left your home then baby, oh the sweetest thing I'd
ever seen

But you wouldn't do nothing for me baby, you wouldn't
do anything I asked you to

You wouldn't do nothing for me baby, oh you wouldn't
do anything I asked you to

You know you ran away from your home baby, and now
you wanna run away from old me too

My brother's in Korea baby, my sister's down in New
Orleans

Brother's in Korea baby, oh sister sister down in New
Orleans

You know I'm having so much troubles people, baby I
wonder what in the world is gonna happen to me

Oh yes sweet sixteen baby... sweet sixteen... oh yes

The sweetest thing baby, oh yes

The sweetest thing I ever seen

You know I'm having so much trouble people, baby I
wonder what in the world's gonna happen to me

Sweet sixteen... sweet sixteen oh yes

You know I'm having so much trouble people

Baby I wonder

Yes I wonder

Baby I wonder

I wonder what in the world's gonna happen to me
