Well, a girly chicken fell in love with a chicken hawk  
Well, a girly chicken fell in love with a chicken hawk  
Fell head over heels for that hawk's sweet talk  
She said take me up hawky, take me up in the sky  
She said take me up hawky, take me up in the sky  
I'm just a little bitty chicken and I don't know how to fly  
He said up, up, and away, we goin' fly all day  
Up, up, and away, we goin' fly all day  
Up, up, up, up, and away  
He met a bald headed eagle flying up there in the blue  
He met a bald headed eagle flying up there in the blue  
Well the eagle told the hawk, I'm goin' steal that chicken  
from you.  
Well the hawk start flying like a P8 single jet  
Well the hawk start flying like a P8 single jet  
He said cool down chicken, the eagle ain't got us yet  
He said up, up, and away, we goin' fly all day  
Up, up, and away, we goin' fly all day  
Up, up, up, up, and away  
{saxophone solo}  
Well, you asked him for the sun, did you ask him for  
the moon  
Well, you asked him for the sun, did you ask him for  
the moon  
He said cool down, baby, we're going to be there soon.  
He said up, up, and away, we goin' fly all day  
Up, up, and away, we goin' fly all day  
Up, up, up, up, and away
