Say good-bye
Why I can barely say goodnight
If I can hardly take my eyes from yours
How far can I go

Walk away
The thought would never cross my mind
I couldnt turn my back on spring or fall
Your smile least of all

When I say always I mean forever
I trust tomorrow as much as today
I am not afraid to say I love you
And I promise you Ill never say good-bye

Were dancers on a crowded floor
While other dancers live from song to song
Our music goes on, on and on
And if I never leave your arms
I really would have traveled everywhere
For my world is there

When I say always I mean forever
I trust tomorrow as much as today
I am not afraid to say I love you
And I promise you Ill never say good-bye

How could I ever say good-bye
