So many nights I sit by my window  
Waiting for someone to sing me his song  
So many dreams I kept deep inside me  
Alone in the dark but  
You've come along

You light up my life  
You give me hope  
To carry on  
You light up my days  
And fill my nights with song

Rollin' at sea, adrift on the water  
Could it be finally I'm turning for home?  
Finally, a chance to say hey,

I love You  
Never again to be all alone

You light up my life  
You give me hope  
To carry on  
You light up my days  
And fill my nights with song

You light up my life  
You give me hope  
To carry on  
You light up my days  
And fill my nights with song

It can't be wrong  
When it feels so right  
'Cause You  
You light up my life
