Easy as life(Tony Moran Club Mix)

All I have to do is forget how much I love him
All I have to do is put my longing to one side
Tell myself that love's an ever changing situation
Passion would've cooled and all the magic would have
died
It's easy as life

Chorus:

I try to forget how much I want him here
Let my dreams slowly disappear
I cannot forget, let my emotions die
Oh I, I don't even want to try

Nothing in life is ever easy
Nothing in love will ever run true
My heart will never stop believing
I still believe in what love can do

All I have to do is pretend I never knew you
On those very rare occasions
When you steal in to my heart
Better to have lost you
When the ties were barely binding
Better the contempt of the familiar cannot start
It's easy as life

I try to forget how much I want him here
Let my dreams slowly disappear
I cannot forget, let my emotions die
Oh I, I don't want to try

Nothing in life is ever easy
Nothing in love will ever run true
My heart will never stop believing
I still believe in what love can do

It hurts to think about you, when I wanna touch you
And how we would've been if you were here with me

today
Oh, those very rare occasions
They keep on coming
All I ever wanted
I'm throwing it away

Nothing in life is ever easy
Nothing in love will ever run true
My heart will never stop believing
I still believe in what love can do

Nothing in life is ever easy
Nothing in love will ever run true
My heart will never stop believing
I still believe in what love can do
