You've gotta know, you are my heart and soul i can't
just let go, i gave you
Years cried a river of tears see you wanna change baby
who's to blame? my love
Burns like a flame, yes our love is still and i guess i'll
always will

Chorus

Im your natural woman i'll be there when there's no one
cause my lovin is real
But you don't see it now since you've put me down but
i'll be there for you when
There's no one around

You've been my light, for you i've sacrificed stayed up
every night that you
Didn't call how i worried all night long things feel so
strange last night i
Called out your name thought i saw your face, here
next to me maybe someday
Soon it will be ohhh

(chorus)

Baby can you tell me how could you leave me lonely
baby when you know that i've
Given my only heart to you whatever you do, baby don't
be a fool

I'll give ya time, baby to make up your mind whatever
you decide, i wont break
A vow oh no noo not ever, no no noooo

(chorus)

Ooooooh yeah yeah yeah yeah i'm your natural, yeah
yeah yeah yeah i'm your
Natural womannnnnn oh, i'll be there
ooooooooooooohhhhhh
