Ive spent all my life,  
On a search to find  
The love wholl stay for eternity,  
That heaven sent to fullfil my needs  
But when I turn around,  
Again love has knocked me down  
My heart is broke,  
You know it hurts so bad  
Im sad to say love wins again

(chorus)

So I place my heart under lock and key  
To take some time, and take care of me  
But I turn around and your standing here

How did you get here  
Nobodys supposed to be here  
Ive tried that love thing for the last time  
My heart says no, no!  
Nobodys supposed to be here  
But you came along and changed my mind

Again love I swear Im through  
But if only you knew  
How many times Ive said those words  
And fall again will I ever learn  
Knowing the tears Ive cried  
This lovely black butterfly  
Must take a chance and spread my wings  
Love can make you do some crazy things

(chorus)

But I turn around and your standing here  
Standing here ohh ohh  
No, no, no, no, no,  
No, no, no, no, no,  
No ohhhhhhh ouh ohhhh ohh oh  
Oh yeah oh yeah

(chorus out)
