(WHITNEY HOUSTON)

I know he's leaving me for you

(DEBORAH COX)

Who said that, who told that is true

(WHITNEY HOUSTON)

What is he telling you?

Could it be the same things that he told me

(DEBORAH COX)

He told me that he loved me

(WHITNEY HOUSTON)

I heard that

(DEBORAH COX)

He told me I was beautiful

How did you know, how did you know

(WHITNEY HOUSTON)

Cause I played that scene before

CHORUS: (WHITNEY HOUSTON)

This is a retake of my life

I was his star for many nights

Now the roles have changed

And you're the leading lady in his life

Lights, camera, now you're on

Just remember you've been warned

Enjoy it now, cause it won't last

Same script, different cast

(DEBORAH COX)

What you're saying could be true

But how can I take advice from you

(WHITNEY HOUSTON)

I'm not hating

But I wish the one before me

Would have warned me too babe

(DEBORAH COX)

Don't say no more (lalala)

(WHITNEY HOUSTON)

Uncover your ears girl

(DEBORAH COX)

I'm not listening (lalala)

(WHITNEY HOUSTON)
But I know you hear me
Maybe my reasons are wrong
But I know that you believe me

CHORUS: (WHITNEY HOUSTON)

(DEBORAH COX)
It's your fault you didn't love him enough
(WHITNEY HOUSTON)
That's the problem
I loved him too much
And when you love him
He becomes unattracted to you
(DEBORAH COX)
Oh no, He's changed and I'll prove you wrong
So go away, leave us the hell alone
He loves me
(WHITNEY HOUSTON)
He'll hurt you
(DEBORAH COX)
He'll stay with me
(WHITNEY HOUSTON)
He'll leave you
(BOTH)
For sure, for sure

CHORUS: (WHITNEY HOUSTON)

(DEBORAH COX)
This is a retake of your life
You were his star for many nights
But now the roles have changed
I'm the leading lady in his life
Lights, camera now you're on
Just remember you've been warned
Enjoy it now, cause this will last
I'm his future, you're his past

(WHITNEY HOUSTON)
This is a retake of my life
(DEBORAH COX)
Of your life
(WHITNEY HOUSTON)
I was his star for many nights
And now you're the leading lady in his life
Lights, camera now you're on
Just remember you've been warned
Enjoy it now
(DEBORAH COX)
Just watch us now

(WHITNEY HOUSTON)

Cause it won't last

(DEBORAH COX)

I know it will last

(BOTH)

Same script, different cast
